CHAMPION WILDCATS BEAT WINSLOW 5 TO 3

(Continued From Front Page) Kingman Bakery for the first home run of the game was given to Bale and Smith, pinch hitters.

It was an interesting fact to note that two of the All-Stars, who played Kingman last year were in the Winslow line-up. Hayes and Cook were credited with 5 double plays in that game, but they failed to star like that, Sunday.

The game Sunday brought the grandstand to their feet several times and excited interest such as has seldom been seen at a ball game here. The whole game was played in professional style and would rank well with many games in the coast league.

Sunday the Wildcats will doubtless have the toughest contest of the year on their hands when they meet Flagstaff here. It is understood that Miller, the little southpaw who twirled for Kingman the last game of the Flagstaff series, will pitch for Flagstaff. This boy is a whirlwind pitcher and is only staying out of professional baseball on account of the fact that he expects to play with Harvard next year. The Wildcat sluggers however expect to get to him for some hits and then too Kingman will be well represented in the pitchers box. It will be a game well worth seeing.

Following is the box score for last Sunday's game:

Monday morning of this week several pieces of pipe which he was unloading at one of the warehouses here fell across George Desmond's leg, crushing it badly.

Upon examination it was found the bone had been broken and was protruding through the skin. He is now being taken care of at his home and it is thought probable that the leg will be saved.

ELKS RETURN FROM BIG L. A. CONVENTION

Sam Miller, Ray Robinson, A. M. MacDuffee and other Kingman Elks arrived home this week after having participated in one of the greatest celebrations the B. P. O. E. have ever put on.

The parades they say were wonderful, one of them being over 12 miles long. There were bands every place and the man that could sleep through the days of last week was a scarce article.

Drill teams from Philadelphia, Miami (Florida), Seattle and other towns put on great exhibitions.

There were representatives from all over the world. The men from Hawaii created quite a sensation by appearing quite generally through Los Angeles in grass skirts. The representatives from Pueblo wore the muddy clothes of the flood days, etc.

It was a great show and everyone had a wonderful time from all reports.

The two months old baby boy of Mr. and Mrs. Earl Salsman was brought here from Peach Springs on the 19th suffering from a bad case of pneumonia. He died the same day.

MINER WANT ABE ARE BUS-NESS WINNERS

50 GALLON STILL TAKEN THIS A. M.

This morning at 2 o'clock deputies Imus and Daniels made the arrest of G. A. Watkins on the charge of manufacturing "moonshine". Watkins was arrested in the Wallapai mountains about two miles from the George Davis ranch. A 50 gallon still, a half ton of corn and several sacks of sugar were taken.

Sheriff Mahoney and his deputies started working on this case several days ago. With the assistance of an Indian trailer the still was located in a tunnel surrounded by a dense growth of underbrush.

Watkins, who hails from Oklahoma, is alleged to be a professional "moonshiner". He had not started to operate yet but was ready to go. He will be tried before both the Federal and State authorities. His hearing before Justice of the Peace Sam Miller will take place sometime today.

At the Cafe de la Paix
Pvt., 1 Cl.: "Well, there's one thing an M. P. can't arrest and that's the flight of time."

Buck: "I dunno. I saw one come in this very joint and stop a few hours."
